## Schweizer Grappa invecchiata

Schweizer Grappa ages for 3 years in barriques, gaining delicate scents of vanilla and dried fruit to this grappa, with a special warm, amber colour. Obtained from Teroldego, Chardonnay, Marzemino, Müller Thurgau and Gewürztraminer. Smooth, with a warm and suave flavour. The aftertaste reminds of chocolate, liquorice, and honey. The original label, especially created by the artist Riccardo Schweizer, sums up its strong personality and wealth of nuances, aromas and olfactory sensations.
